Introducing Overdraft Protection from CAHP Credit Union. >

# Overdraft Protection—yet another benefit of having a CAHP Credit Union account.

Designed to cover overdrafts up to **\$2,000**, Overdraft Protection delivers convenience, confidence and peace of mind.

## Here's how it works:

- **When Overdraft Protection is used, you will be charged a fee of \$35 per overdraft paid** (but it costs nothing to have on your account)
- **It's used last, as a backup to our other forms of overdraft protection**
- **We can extend Overdraft Protection to cover overdrafts caused by debit and ATM transactions (just tell us if you would like this Extended Coverage)**

To learn more about Overdraft Protection, please see the enclosed letter for program details.

You can also email us at **[access-24@cahpcu.org](mailto:access-24@cahpcu.org)** or call **800.542.2247**.
